GENERAL DESCRIPTION AND MAJOR FEATURES

The PRO-MOTION Scrolling Motion Display is a 36" X 24" backlit sign that can handle up to 14 different images printed on 4 mil polyester backlit film on one single sign, with the ability to display an image from 3 seconds to 240 minutes each.

MAJOR FEATURES

The A1 Sign is equipped with state of the art control and sensor systems to provide long term dependable operation. Quality manufacturing and design make these signs very appealing for any application. The combination of back light, vibrant color, and movement will present any image in the perfect light.

OPTIONS & ACCESSORIES

An optional floor mounting pedestal stand, Part Number 7094, is available. A Wall Mount Kit, Part Number 7098 is also available. A Brochure Rack, Part Number 7084, is available. A six pocket EZ Change scroll, Part Number 5873, enables you to change each individual image out without reprinting the entire scroll.

SERVICE CONSIDERATIONS

1 Year Warranty on all parts (Labor not covered)
