GENERAL DESCRIPTION AND MAJOR FEATURES

The PRO-MOTION Scrolling Motion Display is a 24" X 36" backlit sign that can handle up to 14 different images printed on 4 mil polyester backlit film on one single sign, with the ability to display an image from 3 seconds to 240 minutes each. Signs are mounted back to back for a total of 28 images.

MAJOR FEATURES

The Back To Back Sign is equipped with two (2) Pro-Motion A1 Signs. The Back To Back orientation makes the sign very effective for use in areas where pedestrian traffic is heavy. Quality manufacturing and design make these signs very appealing for any application. The combination of back light, vibrant color, and movement will present any image in the perfect light.

SERVICE CONSIDERATIONS

1 Year Warranty on all parts (Labor not covered)
